Dear parents and carers

## Re: Summer School

Firstly, I would like to welcome you and your child to the Mount St Joseph community. We are delighted you have chosen to send your child to our school. I hope your child will have a happy and fruitful time with us over the next five years.

In order to aid the transition from primary to secondary school we will be holding a summer school this year for our new year 7 students. The summer school will take place from the 9<sup>th</sup> to the 13<sup>th</sup> of August and will be based on the school site. The summer school will be free to attend and will cover a wide range of subjects. This will be an excellent opportunity for your child to meet some of the teachers and get used to the building etc. before school starts in September.

To facilitate the running of the summer school, can I please request that if you would like your child to attend that you sign them up using the form accessed through the following link:

<https://forms.office.com/r/rqkHiSPvm3>

Please ensure that you have claimed your place by the 28<sup>th</sup> of May.

Further details about the summer school will be sent out before the end of term to anyone who has requested a place.

I look forward to welcoming your child to the summer school. If you have any questions please do not hesitate to contact school.

Yours faithfully

Mr S Henshaw

Deputy Headteacher
