

Year 11 Remote Learning

Show my Homework and 'live' lessons delivered through **Office 365 Teams** have been used to great effect this term. Students have been asked to follow their normal school timetable on SMH and attend 'live' lessons when specified. Our **updated website** includes a 'remote learning' tab, for more information. Should you have any difficulty, please see the **frequently asked questions** tabs to the left of the remote learning page.

If you are unsure about remote learning and require further information, or your child does not have a computer, laptop or iPad to take part in live lessons please email homestudy@msj.bolton.sch.uk and we will be more than happy to support you with this.

Whole School Events

There have been many events that have involved the whole school, not just year 11. Some of the highlights have been our Odd Socks Day in support of Anti-Bullying Week, our Hello Yellow Day in support of mental wellbeing, and our fundraising efforts for MacMillan Cancer Care and the Destitution Project. Well done, year 11, for your part in all of these events!

Year 11 Virtual Parents Evening 21st January

With the recent restrictions we have been unable to hold parents' evenings in the conventional way. Nonetheless, we have so far carried out two virtual parents' evenings for years 8 and 9 using meeting timetabling and video calling software. On the 21st January it is the turn of year 11, so look out for an email invitation asking you to book appointments. Feedback from the first two events has been very positive so we look forward to January.

SIMS Parent App

If you haven't already, please download our new **MSJ SIMS Parent App**. This is an excellent way for us to keep you informed of your child's progress on a daily basis. Please Open the invitation email that was sent from noreply@sims.co.uk, which has been sent to the email address you have provided us. Check your junk mail if it has not arrived in your Inbox. If there is no sign of this email, please contact the school so that we can update our records.
