

The root word of the week is ...

Cosm

The root **Cosm** comes from the Greek language. It means 'world, universe and order.'

Cosmopolitan – people of all kinds of race, gender, religion etc together in one 'world' – a single community.

Cosmonaut – A member of the Russian space team who seek to explore the universe.

Cosmology – A branch of astronomy that involves studying the origin of the universe and ideas such as the 'Big Bang Theory'.

Love **our** Language
