## What we need you to do

- If you have recently changed your contact details, please inform the school office as soon as possible.
- Please monitor your email address and the school websites for any updates.
- 
- Talk to your children about coronavirus. It's a scary time and we should make sure children feel supported. BBC Newsround has regular updates for younger children and Young Minds has practical steps older children can take to help with anxiety.
- Collect your child straight away, if we ask you to – we will contact you if they become ill with either a temperature or a new, continuous cough.

Thank you for your support in relation to this matter, should you have any concerns, please do not hesitate to get in touch.

Yours sincerely

Mrs A Devany
