'Yule Pass'
Thursday 9th December 2021

Dear parent and carer

On **Thursday 9th December**, the school will host a 'Yule Pass' evening for the parents and carers of Year 11 students. This event will begin at **4.30pm** and finish at approximately **6.00pm.**

The purpose of the evening is to provide guidance on how you can continue to best support your child during this critical year in your child's education; providing you with essential details, strategies and resources. There will also be the opportunity to speak with heads of department and senior staff. There will also be time to enjoy some festive treats and refreshments!

The evening will cover key areas such as:

- Wellbeing information for students
- Revision strategies and support materials
- Details on how we can work in partnership with parents/carers to ensure the best outcomes for your child
- Information regarding key events during this academic year.
- Careers information from colleges and training providers

As a parent and carer, it can be difficult to know how to support your child through this challenging academic year, particularly following the pandemic and the impact of students' learning, therefore your attendance at this event would be much appreciated.

If you have any queries regarding the information evening; please do not hesitate to contact me at school.

Please click on the link below to attend this event, please note if you have already confirmed your attendance you need not respond again.
