17<sup>th</sup> December 2021

Dear Parent/Carer

## Year 11 Exams: Monday 10<sup>th</sup> January 2021 – Thursday 10<sup>th</sup> February

As we enter the final six months of your child's secondary school phase, we would like to thank you for your continued support over the last five years. This last year has been extremely challenging, however the year 11 students have worked hard despite the obstacles they have faced and we are very proud of each and every one of them.

We hope all our year 11 students have a relaxing Christmas break and I know all students will be working hard at home in preparation for their January mock exams. However, I would also like to stress that students will have **actual** examinations immediately upon our return from the Christmas break.

In preparation for the actual examinations, weekend intervention session will take place to help ensure our students are prepared as well as they can be. Students are required to attend these weekend sessions that are held from 10am – 2pm. It is imperative that students join these extra sessions as they will be covering the exam content and techniques required to complete the exam with success; this will ensure students are fully prepared.

Please encourage your child to revise for each examination, both actual and mock, this will enable them to show the best progress possible and achieve their best grades. The examinations will begin on Monday 10<sup>th</sup> January and continue until Thursday 10<sup>th</sup> February, the timetable for all exams can be found at the bottom of this letter and on the school website.
