

Careers Week 21st – 25th February 2022

Our careers week is coming up and each year group will take part in career related activities throughout the week, a list of activities, trips and events is below.

On Thursday 24th February 2022 the school will host the annual Careers and Aspirations Day.

Representatives from local businesses and organisations will be attending, from a vast array of careers including construction, environmental engineering, accountancy, musician, hair & beauty, armed forces plus many more. They will share information with small groups of year 9 pupils, giving advice on qualifications, job roles, working life and salary expectations. Please see the parent letter for year 9's in the parents' letters home section of the website for more information.
