Dear Parent/Carer

Year 11 Exams: Monday 6th November 2023 – Friday 10th November

As we enter the final year of your child's secondary school phase, we would like to thank you for your continued support over the last four years. The last few years have been extremely challenging for us all, however our students have worked hard despite the obstacles they have faced and we are very proud of each and every one of them.

We hope all our year 11 students have a relaxing half term break and I know all students will be working hard at home in preparation for their November mock exams.

In preparation for the examinations, students will be provided with revision materials by their teachers. It is vital that all year 11 students engage with this revision material as it will cover exam content and the techniques required to complete the exams with success; this will ensure students are fully prepared.

Please encourage your child to revise for each examination, this will enable them to show the best progress possible and achieve their best grades. The examinations will begin on Monday 6th November and continue until Friday 10th November, the timetable for all exams can be found at the bottom of this letter and on the school website.
