15th November 2023

'Yule Pass' **Thursday, 7th December 2023**

Dear parents and carers,

On **Thursday, 7th December**, the school will host a 'Yule Pass' consultation evening for the parents and carers of Year 11 students. This event will begin at **4.30pm** and finish at approximately **6.00pm**.

The purpose of the evening is to provide guidance on how you can continue to best support your child during this critical year in your child's education; providing you with essential details, strategies and resources. As students will sit the full range of mock examinations in January 2024, the evening is the perfect time to ensure they are ready for these. Opportunities to speak with the heads of the English, maths and science departments, and senior staff will also be available. In addition, there will also be a presentation by GM Higher about exams, further education, and life after year 11. Your child's November mock examination results and their most up to date expected grades will also be available for you during this event. There will also be time to enjoy some festive treats and refreshments!

The evening will cover key areas such as:

- GM Higher presentation
- Wellbeing and resilience information for students
- Revision strategies and support materials for English, maths and science
- Details on how we can work in partnership with parents/carers to ensure the best outcomes for your child
- Information regarding key events during this academic year.
- Careers information from colleges and training providers

As a parent and carer, it can be difficult to know how to support your child through this challenging academic year, therefore your attendance at this event would be much appreciated.

If you have any queries regarding the information evening, please do not hesitate to contact me at school.

Please click on the link below to attend this event.
