## Year 7 Student Timetables

4<sup>th</sup> December 2023

Dear parent/ carer,

As we come to the end of your child's first term at Mount St Joseph Catholic school, I would like to say what a pleasure it has been to welcome them into our school community. I hope they have settled well and they are making good progress so far.

On the 15<sup>th</sup> December you will receive your child's first progress report. A good indication of how they are doing is their attitude to learning score. You will also see how they are progressing in each of their subjects after a term at Mount St Joseph.

As you will be aware when they started at Mount St Joseph they were taught in personal development time (form) groups to help them settle into secondary school and to build their year identity. At the start of the new term in January they will be placed into new sets based on ability. To set the students we have used a variety of data from their lessons and from testing we have carried out. On the first day back, 9<sup>th</sup> January, students will have an assembly and their new timetables will be given to them. You will also be able to see their new timetable on the SIMs parent app once the new term starts.

If you have any questions, please feel free to email [henshaws@msj.bolton.sch.uk](mailto:henshaws@msj.bolton.sch.uk) or to speak to one of the year 7 team.

Yours sincerely

Mr S Henshaw  
Deputy Headteacher
