26th February 2024

'Eggs-am Ready' Wednesday, 27th March 2024

Dear parents and carers,

On **Wednesday, 27th March**, the school will host an 'Eggs-am Ready' consultation evening for the parents and carers of Year 11 students. This event will begin at **4.30pm** and finish at approximately **6.30pm**.

The purpose of the evening is to provide guidance on how you can continue to best support your child during this critical year and the lead up to the GCSE and BTEC exams in May and June; providing you with essential details, strategies and resources. Opportunities to speak with the heads of each department and senior staff will also be available. Your child's examination timetable will be available for you during this evening. There will also be time to enjoy some Easter treats and refreshments!

The evening will cover key areas such as:

- Wellbeing and resilience information for students
- Revision strategies and support materials
- Details on how we can work in partnership with parents/carers to ensure the best outcomes for your child.
- Information regarding key events during this academic year.
- Careers information from colleges and training providers

As a parent and carer, it can be difficult to know how to support your child through this challenging academic year, particularly following the pandemic and the impact of students' learning, therefore your attendance at this event would be much appreciated.

If you have any queries regarding the information evening; please do not hesitate to contact me at school.

Please click on the link below to attend this event.
