Dear parents and carers

Re: New starters – September 2024

We are delighted your child will be joining Mount St Joseph in September 2024, and we would like to take this opportunity to formally welcome you all to the Mount St Joseph Catholic School community. The next five academic years will form a major chapter in the life of your child and we are fully committed to ensuring that they achieve their full potential while maximising their well-being and life chances.

We are at the start of an exciting journey together, and while this is a very unusual time we will aim to keep you updated as much as possible about your child's transition to high school over the coming weeks. Nevertheless, there is a good deal that all of us can do to prepare the way, both practically and emotionally, to make the transition from primary to secondary school as smooth as possible.

It is extremely important that your child becomes familiar with the staff and school. Over the next few months there will be a number of opportunities for your child to meet with us, both within their own primary school setting, and when we invite them, and you, to join us at Mount St Joseph. To this end, we would like to formally invite you to the following events:

- Tuesday 18th June 2024 at 6.00pm – Welcome Evening

During this meeting parents, carers and students will have the opportunity to meet key school staff including personal development teachers.

- Wednesday 3rd July and Thursday 4th July 2024 – Transition Days

The day starts at 9am at Mount St Joseph School. Your child should arrive for a 9am start and will be welcomed into school through the student reception entrance. Your child will leave school at 2.35pm.

The purpose of the transition days is to provide an opportunity for your child to experience school life at Mount St Joseph, meet their new form tutor, make new friends and learn about our core values and gospel values. During the day all the new students will come together as a community and your child will need to wear a plain white t-shirt and school trousers on these visits.

Once again, on behalf of the governors, staff and students, may I welcome you to the family of Mount St Joseph, a community of learners, believers and friends.

We look forward to meeting you at the welcome evening in June and working with you and your child in the years to come. We will work tirelessly to help them develop into confident young people equipped with the knowledge and skills to support them to lead happy and fulfilled lives, and to make a positive difference in the wider community.
